Gearing up towards European Digital Innovation Hubs

Gearing up towards European Digital Innovation Hubs conference, jointly organised by the [European Commission](#), [Luxinnovation](#), the [Luxembourg Ministry of the Economy](#) and [DIHnet](#), is an opportunity for stakeholders to meet, nurture their networks, share ideas and learn about the new EU policy developments on supporting the green and digital transformation through European Digital Innovation Hubs.

Alongside high level speakers and thematic sessions, the event will be the info session for the European Digital Innovation Hubs call with the Digital Europe Programme.

The event will take place on November the 9th and 10th 2020 and will be fully online.
